

Taking pictures is savoring life intensely, every hundredth of a second  
Great web design without functionality is like a sports car with no engine

## PHOTOGRAPHY & WEB DEVELOPPER

### About Me

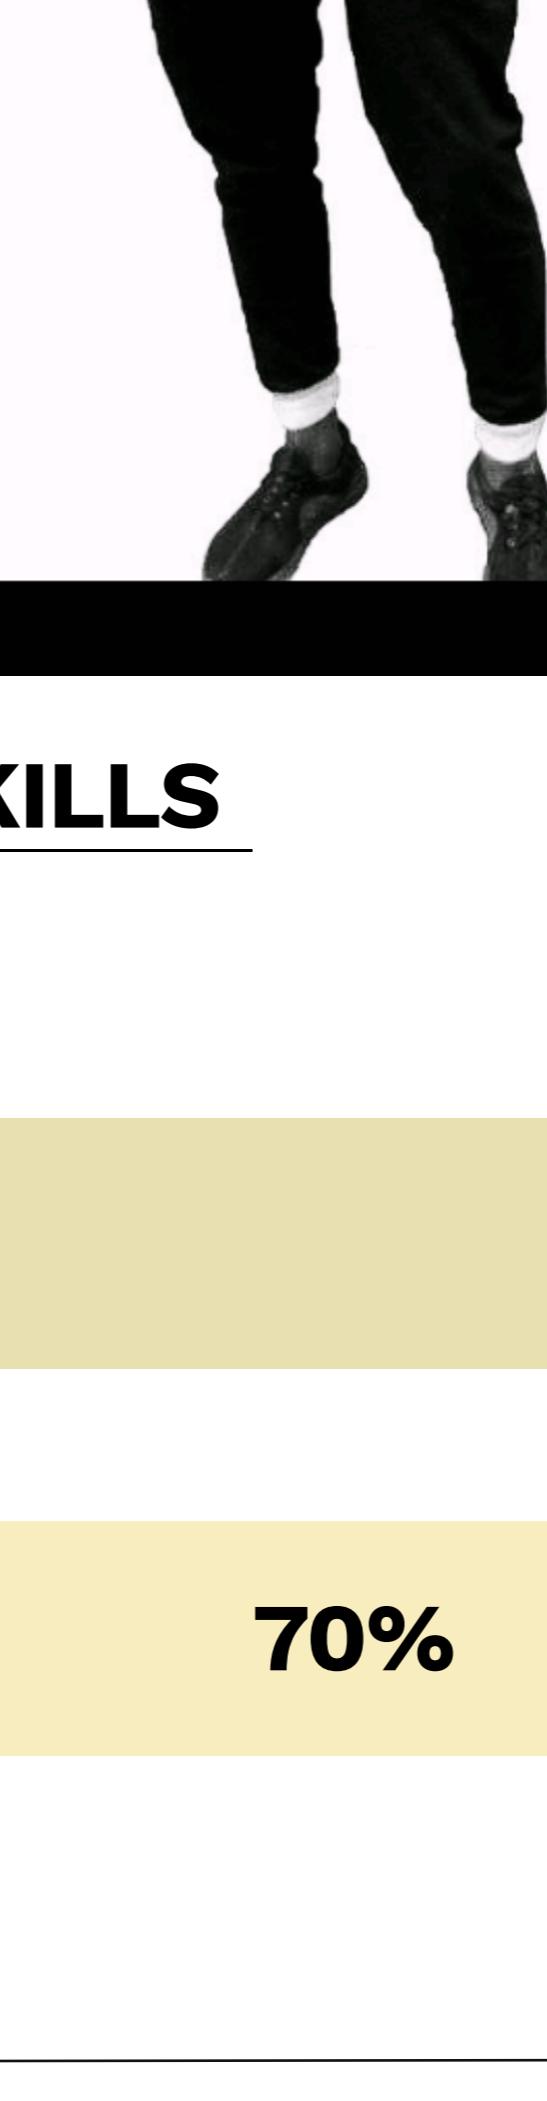

I'm Eugene.

Photographer and Web Designer.

To those with no experience of the industry, the life of a photographer is usually supposed to be how the job is often portrayed in films – a photographer turns up to a shoot, presses a few buttons on a set that's ready and waiting for them and then goes out drinking with the models. The picture that you took with your camera is the imagination you want to create with reality.” “If the photographer is interested in the people in front of his lens, and if he is compassionate, it's already a lot. The instrument is not the camera but the photographer.” “A tear contains an ocean.
